NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Tabbing and Shocco Creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is Rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

MASS MEETING IN JOHNSTON.

On Friday the 7th of October the good people of Johnston, did honor to Elevation Township by giving a grand barbacue commentary to the Township, for the vote they gave in the late election. Johnston did nobly in the late election but Elevation Township did most nobly. Only one white man in that Township voted the full Radical ticket. He was not a native, but from Pilgrim Ashley's latitude.

At early dawn the Marshals and Cooks made their appearance and began the work for the day. Carts, wagons and buggies came in with bacon, beef, mutton, shoats, chickens, potatoes, bread, pickles and every thing to make a complete dinner. The Smithfield brass band was early on the ground, animating all with its cheering notes. There were more ladies in attendance than we have seen at a political meeting in twenty years.

The following gentlemen composed the Executive Committee: Z. J. Lemay, Dr. H. B. Marley, C. B. Leach.

The following were the Marshals, who preserved excellent order: W. H. Avera, Jr., W. H. Sanders, C. S. Powell, Maj. H. J. Ryals, J. G. Barber, J. L. Morgan, H. H. Johnston, G. N. Pescock, J. A. Adams, J. Johnson, P. Creech, C. Stephenson, W. G. Lassiter, Elly Turlinton, J. C. Lee, N. M. Tomlinson, B. W. Young.

At 10 o'clock the speaking began. The first was Mr. Z. J. Lemay, who, in a few congratulatory remarks, with some allusion to the late canvass, introduced Josiah Turner, Jr. We are not called upon to report or here to repeat that gentleman's speech. Suffice it to say, he spoke until dinner, which was 1 o'clock.

The tables were long and many, and the dinner was sumptuous and abundant.—There were so many old men out as especially to attract our attention. Three sat near us at the table and we inquired their ages. Mr. W. Lassiter was 80, Mr. Lemuel Bain 77 and Mr. Amos Johnson 71. These old gentlemen gave us more credit than we deserve, for the part we bore in the late campaign.

Dinner being over, the Brass Band called the multitude to the stand again, when Mr. Lemay introduced Hon. Silas H. Rogers.

Mr. Rogers canvassed Johnston county pretty thoroughly before the election. If all of his speeches were as able and convincing as the one on this occasion, the great revolution in Johnston is not to be wondered at. Mr. Rogers never gives offence to his political adversaries. If he cannot convince he will not offend them.

The next speaker was Willis Sanders, Esq. Mr. Sanders in the better days of the Republic, represented Johnston in the Legislature. He is a forcible and pleasant speaker, and though a graduate of the University, and able to stand among statesmen, his ambition has been to stand among the leading agriculturists of his county and State.

Hon. J. T. Leach was the next speaker. Every body knows Dr. Leach. He would not "flatter Neptune for his trident." He made one of his plain, telling speeches, dealing with men and measures in a manner that all who hear him understand, and no one doubts the sincerity of his own convictions. After Dr Leach had discussed taxation, education and corruption as practiced by Gov. Holden and his administration, Maj. Ryals was introduced. Mr. Ryals said, a speech was not expected of him. He had come to look on and to hear others. He had heard others with great pleasure and delight. It was growing late, he would not detain the audience longer than to express his gratification and delight at such a social gathering of friends. It made him proud of his State, proud of Elevation Township. Mr. Lemay then dismissed the multitude. The Band struck up a cheering strain, and all marched off quietly home. This day will long be remembered in Elevation Township.

THE STATE DEBT.

The last exhibit of the public debt of the State made by the Public Treasurer, fixed the sum at $34,000,000 and upwards. This amount does not include the amount declared by the Supreme Court to have been unconstitutionally forced upon the State by the Radical General Assembly. If the Radical party had been allowed to carry out its programme, the indebtedness of the State th a day, including interest, would have reached the enormous sum of $45,000,000. Indeed, if the present Constitution is to remain in force, and its provisions are carried out, the distress which must fall upon our impoverished people, arising from taxation, directly and indirectly, would be incalculable.

An honest investigation into the legislation, which forced upon the State the addition to the old public debt of nearly $20,000,000 of the $34,000,000, would doubtless disclose the fact, that most of it was unconstitutional. And when we take into consideration the fact, that most of the $20,000,000 was placed in improper hands, who robbed the State of its proceeds, to the extent that neither the State nor the Rail Roads have ever received $500,000 of it, it might seriously raise the question, whether the State was bound to pay a dollar of it.

The next General Assembly must make that investigation. The holders of our new bonds, bought them at such a low figure, as to convince the purchasers, they were buying "stolen goods." It will be full time also, for that body to enquire carefully into the real indebtedness of the State, and adopt the safest and most enlightened plans for ultimate payment.

There was manifest unwillingness on the part of the people to meddle with the public debt. This does not arise from any disposition to avoid the payment of a just debt, but because of the universal conviction among them, that they are unable to pay it, and are not likely to be able for many years to come. But is it wise to close our eyes to the fact, that we are in debt beyond our means of paying, and let it accumulate upon us to a still more alarming extent? We think not. Is it not better to know the worst of our condition, and to make the effort, to adopt such measures as will lead to putting our indebtedness in a manageable shape. We suggested some days ago, that compromise might effect what neither repudiation nor indifference can accomplish. Why may not the General Assembly propose such a compromise as will satisfy both our people and our creditors? If the creditors of the State hold back and make no proposition, why may not the General Assembly do it?

BERTIE BARBECUE AND JUBILEE.

We yesterday noticed the proceedings of the great meeting at Windsor, in honor of our late Conservative victory. In order to economize our space, we lay before our readers the following *extracts* from the letters of gentlemen, in response to the letter of a committee of invitation at Windsor, giving reasons for their inability to attend. We cull from the letters sent us, sentiments which ought to be preserved:

Judge Kerr, of Caswell, deeply regretted his inability to attend, and says:

"Pleased as I should be, at any time—*at any place*—to meet my fellow citizens and interchange congratulations, on the recent proud triumph of the cause of civil liberty in our honored old State, I should feel especial delight in mingling on such an occasion with the good people of Bertie in the old town of Windsor, where memories fondly cherished, of departed patriots and their services, in better times, could be readily called up, to impart overwhelming effect to the utterances of indignant scorn which all pure hearts must feel for the "traitor knaves," whose foul conspiracy against the liberties of the people, has been so signally rebuked at the ballot-box in our recent elections.

Who that knew those enlightened statesmen and sterling patriots, William W. Cherry and David Outlaw, can doubt for a moment as to the feelings *they* would manifest, or the course *they* would pursue at this momentous juncture, were they *now* alive!

Their brave, true hearts would beat rapidly and *strong*, with emotions on the one hand, of detestation of the ignoble despot and his co conspirators against their mother State, and with unbounded admiration on the other, of the self controlling courage of her people in the trying crisis through which they have recently so gloriously passed. Their eloquent voices would be heard resounding in notes of high disdain of a tyrannical Executive, and a prostituted judiciary, while the carpet bag adventurer from New England, and the morally perjured scalawag of their own country, would not escape the withering influence of their justly inflamed spirit of denunciation.—But, alas for our country! when such men as they were have passed away, leaving the high places they adorned in life to be filled by fugitives from other States, in conjunction with degenerate apostates, "though to the manor born"—the latter always worse—always more to be despised than the former.

But the night of our tribulations is far spent; the day-dawn is upon us; the people of the illustrious mother of American Independence, have risen in their might and majority and spoken in thunder tones to the world, announcing judgment of political *death*, against foreign emissaries of ruin, and home born traitors; and now again, her true and trusty sons may *look up* with pride, and *look forward* with hope, for rogues and royalists must and will be driven out of office, and corruption shall be fully exposed. The Executive tyrant shall be made to expiate his crimes; the sacred ermine shall be taken from pliant, time-serving Judges, and placed upon men "who know our rights and knowing, will dare maintain them;" in whose charge personal liberty will be secure, through the instrumentality of the invaluable writ of *habeas corpus*. God be praised! for the opportunity of gathering these rich fruits from our recent glorious victory!

The people of Caswell have passed through a terrible trial; have endured an enormous wrong. A most diabolical plot against the liberties of the State, was by Abbott, Pool and others, its projectors, made to hinge upon the murder of John W. Stephens, and it may well be suspected that the *murder itself was a part of the plot*, and originated in the councils of a party, who having plundered the State of its resources, and ruined its credit, were seeking nevertheless to perpetuate their hold on place and power by the aid of a military force, which they sought to justify by the foul calumny, that our people were in a state of insurrection, and that among us human life was insecure, by reason of the influence of a secret oath-bound association known as the Ku Klux Klan. Now it has so turned out, that after all these wicked endeavors, they have found no such organization to exist among us, and that instead of being in a state of insurrection and disregardful of civil authority, our people are among the most law abiding people on the earth; so patiently so indeed, as to have submitted without outbreak or violence to the invasion of their houses and violations of their persons, by the most unwashed, uncombed, and barbarous *rabble* that was ever armed and equipped and turned loose on human society; and this too, when they saw and felt and *knew*, that they had only to rise up and make a demonstration of the force at their command, to run that *cowardly* rabble out of their borders in wild confusion and dismay. Co sufferers with the good people of Alamance, the people of Caswell are in strong sympathy with them, and though such an organization as the conspirators charged to exist in Caswell, was found to exist to a limited extent in Alamance, yet it is a striking fact, that of the six citizens first arrested in that county, it does not appear that any save one had any connection with the Ku Klux, and that one, as it now appears by his own confession, sought their confidence in order to betray them, and is now, as I learn, in close and confidential association with Holden, and other members of another secret oath bound order, equally with the Ku Klux, to say the least, dangerous to the public weal. I am opposed to all secret oath-bound political combinations, but if Holden *still* keep up his Loyal Leagues, by whatever name he may call them, and *will* continue to pardon the members of those Leagues whenever convicted of crime, he may be assured that some counteracting organization will be in existence, prepared to protect society against the consequence of licensed crime, the fruit of misdirected Executive clemency.

My hopes for the future welfare of my country, are greatly revived by the issue of our recent elections. We must, however, be wise and circumspect in the use we make of our victory. Let nothing be done through malice, or a calculating selfishness, but in the spirit of a lofty patriotism let us merge every feeling, *every selfish aspiration*, in one great united effort to rescue our beloved State from the hands of the faithless *bad men*, who have dishonored her venerable name, and tarnished her escutcheon, and to restore her credit and replace her on the high pedestal she so long occupied, as the modest matron in the sisterhood of States, whose pride it was to point to the staid wisdom and valor, rather than to the official dignity of her sons, and under whose benign government more true liberty and happiness were enjoyed for nearly three-fourths of a century, than were ever experienced under any other government on earth.

In conclusion gentlemen, allow me to thank you most cordially for your kind recollection of me, and especially for the generous sympathy you were pleased to express in reference to the late personal trials to which I was subjected, in common with many others of my fellow-citizens of Caswell and Alamance, to further the schemes of unprincipled partizans, whose aim it was to overthrow civil liberty, and to establish themselves in power, with a view to plunder and oppress the people in future as they have done in the past."

Hon. Z. B. Vance, of Charlotte, replied:

"Assuring you of my entire sympathy in the objects of your meeting, and rejoicing with you most heartily over our great and glorious victory, I can only send health, happiness and Conservatism to you all."

Hon. Thos. Bragg, of Raleigh, in response says:

"I assure you it would give me great pleasure to accept the invitation, and once more to mingle with many old friends in Bertie; but my engagements are such at that time, being the week of the Superior Court of this county, that I am compelled to be here. With my best wishes for the people of Bertie and for yourselves individually," &c.

Hon. J. M. Leach, of Lexington, replies:

"I regret much that professional engagements, during that week, which cannot be postponed nor neglected, will prevent my attendance, and the regret is felt the more profoundly, because it would afford me,—a *western man*,—such real pleasure to join with dear friends in *eastern* Carolina in glad rejoicings, and happy joyous greetings over the glorious victory;—a peaceful, moral and political victory obtained in defiance of bayonets and the temporary prostration of the great writ of *habeas corpus*, and in the face of fearful odds by a great people, of a great Commonwealth *determined to be free*;—a victory that assured earnest of the thorough redemption of our dear old State, and of her happy riddance from unprincipled adventurers, and scheming demagogues; as well as of her complete rescue from the wicked hordes of her spoilers.

I thank you gentlemen, for the compliment you are pleased to pay me, (though far beyond my deserts,) for my efforts, as the Standard bearer of our cause in this part of the State, in aid of this happy result. When the banner of our party was placed in my hands, I entered at once upon active, and a very exciting canvass against an able and popular competitor, with no misgivings nor faint-heartedness as to the result; although I had a majority to overcome very nearly as overwhelming as that in your Congressional District; but inspired by a good cause—the cause of an oppressed people,—and standing on a platform of sound principles, and checked on by the cordial co-operation of generous friends, and with a zeal and a resolve that should know no abatement, I spoke to large assemblages, and appealed to and reasoned with my fellow-citizens every day for six weeks, (Sabbaths excepted) travelling rapidly and running down and trampling beneath my feet falsehoods and calumnies circulated against my party, and myself; and the people, shaking off their lethargy arose in their might, and spoke out through the ballot box, in tones of majestic power in behalf of their hereditary riguts, their sacred homes and their beloved State. The untiring efforts we quitedly made in this district, as well as the cordial feelings existing among our party friends, two of the main elements of success in any cause,—are sufficiently attested by a gain of nearly *five thousand votes*.

I have thus answered the enquiry of those you represent, through you, of the cause of our great gains and success in this part of the State, as I cannot be with you to answer it in a speech; but the same may be said of the uprising of many thousands of good and true men throughout her borders;—who like the patriotic men of the noble county of Bertie,—the home of a Winston and a Cherry,—are sending greetings and congratulations to each other from sea shore to mountain top.

The Conservative party having thus gained the victory, and placed in power men of talent and integrity, I think their efforts ought to be directed mainly to restore the credit and the character of the State, to carry out, in good faith, the reconstruction acts of Congress, abridge no right of the colored man, but rather seek, by judicious legislation, to improve his condition, to *utilize* the victory gained by the redemption of their pledges, by moderate counsels, and the exercise of the truest wisdom and the loftiest patriotism, by *economy and reform*, by the repeal of *a New York* and the enactment of a NORTH CAROLINA CODE, and by such patriotic legislation and exhibition of statesmanship, as shall cause all the good people in North Carolina to clap their hands with joy in anticipation of an auspicious future, and by such acts as shall prove the Representatives of the people to be, in *spirit and in truth, in head and in heart, true North Carolinians*, resolved "to cherish, protect and defend her."

Col. D. M. Carter of Washington, says:

"Few things would give me greater pleasure than a visit to your town, on such an occasion, which the Cherrys, Outlaws, Thompsons, Winstons and others, have made a shrine to men of my political sympathies. You know that I am indebted to Bertie, also, for what is infinitely dearer than the warmest political ties.

I beg to offer a sentiment at your dinner. Old Bertie. May her future eminence in all the fields of intellect and statesmanship fully equal her past, exalted renown.

A HOLDENITE IN TROUBLE.—John Lawson, a distinguished Holdenite in Caswell county, loved his neighbor's bacon "not wisely, but too well." He was caught in the act, but made his escape to Richmond, Va., where he was arrested and is now eating the State's bacon in Caswell jail. When can we report like glad tidings of Ashley from Bazzard's Bay!—*Southern Home.*

The Wilson Gold Mine, Mecklenburg county, is being successfully worked.

LATEST FROM THE ROBESON COUNTY OUTLAWS.—Our latest dispatches from Robeson represent that the pursuit of the gang of desperadoes is still continued, with no evidence of an intention on the part of the pursuers to give up the chase. Several important arrests have been made, but we are not advised as to their character. A pistol, marked with the name of H. B. Lowrey, has been captured. Our correspondent states that eighteen of the outlaws fired on a colored man near Moss Neck yesterday morning. The excitement throughout the county is intense. Our correspondent says:

"*Send us fifty men and* 100 *stand of arms by the train on Monday.*"

We regret to learn that it is thought by his friends that Mr. Stephen Davis, who was so badly wounded by the desperadoes, will die. A ball went through the back of his head and came out through his forehead, inflicting a terrible wound.—*Wilmington Star.*

The Celebrated Concave Convex Crystal Spectacles, and Eye Glasses Manufactured by the

PHILADELPHIA OPTICAL INSTITUTE,

HAVE now been a long time before the public, and the rapid and increased demand for them, combined with the universal acknowledgment of their clearness and vision and ease to the eye, shows plainly that they are superior to any other glasses in the market.

The advantages claimed for the Concave Convex Crystal Glasses are the following:

The Lenses are ground of the best material pure and hard, and made only for optical purposes, they are therefore not liable to get scratched or dim.

They confer a brilliancy and distinctness of vision not found in any other glass.

They can be used equally well by day or candle light without tiring or fatiguing the eyes.

They are ground mathematically true in the concave convex mirror, according to the philosophy of nature, and shape of corner of the eye, therefore assisting nature only instead of forcing it.

That the lenses are centered correct into the frames.

They can be used longer than any other glasses without changing to a higher power.

The frames are made strong and durable by experienced workmen and warranted to give satisfaction.

With a view to meet the increased demand for our celebrated Spectacles, we have appointed an agent for this neighborhood, as stated below, who has received all needful instructions, and in all difficult cases, have the assistance and consultation of a practical Optician from the Institute here

MR. CHAS. PRATT,

Sir:—The 100 cases of Astral Oil purchased from you a few days since were in our warehouse when the fire occurred, and strange to say although the house was burned to the ground—came out of the fire almost unharmed, the wood cases were of course burned off and several of the top cans assaddered on top. But there was *no explosion* and the Oil in the open cans did *not burn*.
This morning before anything was disturbed we had a Photograph taken of the ruins showing the Oil as it remained after the fire was put out.
Respectfully,
STODDARD & BURTON.

Township Meeting.—We are requested to state, that there will be a meeting of the Conservative citizens of this Township, at the Court House, in this city, on Thursday evening next, at 7½ o'clock, for the purpose of appointing delegates to represent this Township in the Conservative County Convention which assembles in this city on Saturday the 15th inst. It is hoped that all Conservative, good and true, will attend.

H. M. Martindale.—It will be seen that our enterprising young townsman, Mr. H. M. Martindale, continues with that excellent house, Messrs. W. J. C. Dulany & Co, formerly Selby & Dulany, of Baltimore, Md. Mr. M. will be glad to see his friends or receive orders from them, in the book and stationery line.

Mayor's Court, Tuesday, Oct. 11.—His Honor, Mayor Harrison, yesterday morning, attended to the following cases:

Mary Watkins, white, drunk and disorderly on the streets; released.

Wesley Kinney, colored, found drunk and asleep in Stronach's new building; released.

We understand that the enterprising and go-ahead firm of A. G. Lee & Co., will occupy the elegant store now being erected on Wilmington street by Messrs. B. F. Moore and D. G. Fowle.

Appointed.—J. P. Kurfman, Justice of the Peace in the Raleigh Township, having resigned, S. D. Harrison has been appointed to fill the vacancy.

Rescue No 1.—There will be a meeting of the Rescue Steam Fire Engine Company, this (Wednesday) evening at 7½ o'clock, at their Hall. Members will attend promptly as business of importance will be transacted.

By order of the Foreman.

John C. Gorman, Sec'y.

Stabbing Affray.—On Monday night, Edmund Jones and Richard Shipp, two colored men, while attending a dance at the house of one Moses Hardie, in the Eastern Ward, became involved in a fight, which resulted in the stabbing of Jones.—The difficulty it seems, originated with Shipp, who was doorkeeper on the occasion, refusing admittance to Jones, who was unprovided with the requisite 50 cents. We understand that Jones' condition is considered as very critical, the wound being inflicted in the abdomen, and of such a severe nature that the physician, Dr. W. H. McKee, who attended the sufferer, had to replace the protruding entrails before the wound was sewed up.

Shipp was promptly arrested and the case at this writing, is undergoing an examination before Mayor Harrison.

Taken up.—Policemen Doyle and Bryant, early yesterday morning captured a horse running at large in the streets, which they took to the Livery Stable where the owner was found.

Harry Macarthy.—This celebrated Comedian has, as will be seen by a reference to our column of new advertisements, engaged Metropolitan Hall for five days, commencing Tuesday, October 18th.

Edwin Forrest.—We direct the attention of our readers to the advertisement of this great Tragedian, who will visit us during Fair week and "astonish the natives."

New Telegraph Line.—We were called on yesterday by Mr. Johnston of Richmond, Agent for the Southern and Atlantic Telegraph Company, who are now erecting a line of wires from New York to New Orleans. He informs us that the work of constructing the line is progressing most encouragingly. The line is completed from New York to Richmond, thence to Gordonsville and Lynchburg. From Lynchburg it will be extended to Charlotte *via* Danville and Greensboro.

The line is also being built from Charlotte to Columbia, having nearly reached the latter place, and will soon be completed to Charlotte to meet the wires from the North.

We notice from the subscription book of the Agent that business men along the line are subscribing to the stock very liberally, and it is the intention of the company to construct branch lines to connect with the main through line.

The effect of this new line will be the cheapening of telegraphing, and thus rendering the medium of more common communication between the various sections of the country, especially among business men.

SIXTEEN DOLLARS AND THIRTY CENTS.

If the Governor will return the two guns and pistol taken from our house when Kirk's men robbed it, we will pay him fifteen dollars or five for each. We will pay him one dollar for our white handle knife, and thirty cents for the return of the Barlow, taken from us by Lieut. Banner, when we were put in jail at Graham.

We bought the Barlow in Yanceyville to peal peaches, the white handle was a present.

A friend sent us in prison, a basket of peaches. We asked Banner for our Barlow to peal them, but it was refused us, and we had to eat peaches in jail, fuzz and all.

Now Governor, it may be our Barlow was placed in your keeping with Judge Kerr's cane; if so, return it, and we will pay you five cents more than original cost, and no thanks, or questions asked.

Assault.—Annie Day, col., complained to His Honor yesterday morning, that C. Thompson, white, had assaulted her in a very unjustifiable manner. Thompson alleged in his defence, that Annie had heaped unprovoked abuse upon his wife. His Honor reserved his decision in the matter.

State Fair—Another Special.—Mr. H. D. Engelhard, Landscape Gardner, authorizes the Executive Committee to offer a special premium of $5, for the best bale of Timothy Hay, exhibited at the Fair. He offers also a special of $5 for the finest Grass Bouquet, to consist of at least fifteen varieties of grasses.

Six in Hand.—We observe that Messrs. G. W. Wynne & Co. are now running the omnibus of the Yarborough House with six handsome grays—which makes a turnout worth looking at. These gentlemen have added largely to their stock of fine horses, for the especial accommodation of visitors to our State Fair.

Williamston and Tarboro' R. R.—At a meeting of the Directors of this Road on the 5th inst., Gen. W. G. Lewis, of Tarboro', Chief Engineer of the Road, was elected President to fill the vacancy occasioned by the death of Gen. Stubbs. By a vote of the Directors, Gen. Lewis fills the offices of President and Chief Engineer, at a salary of $3,000.

Several hundred loyal voters have been shipped from Robeson and adjacent counties in this State to South Carolina, ostensibly to work on some Railroad, but really, as suspected by many, to assist in carrying the Radical ticket in the pending election.

The Commissioners of Cumberland have declared the office of Superior Court Clerk for Cumberland County, vacant. J. C. Collisham, an appointee of Judge Buxton's being unable to give a sufficient bond.

The records show an increase of over $40,000 in the debt of Cumberland County in the last two years.

The Wilmington *Journal* learns that none of the Robeson county desperadoes have yet been captured.

Since mentioning that the debt of Wilmington amounted to $481,092, we learn from the *Journal*, that the old debt has been reduced $24,000 in 9 months.

We make the above statement at the request of the *Journal*.

The contest for the vacant Senatorship in the New Hanover District, in the Radical camp, is said to be between G. W. Price, colored, and B. Morrell.

A large Huckleberry crop is reported in Sampson.

The Wilmington jail has 39 inmates.

Laura Keene and her Dramatic Company will appear in Wilmington on the 17th inst.

The Mayor of Wilmington offers $200 reward for the arrest and conviction of the perpetrators of the recent burglaries in that city.

The residence of Col. A. M. Waddell, in Wilmington, was robbed on Friday night, of about $300 worth of wearing apparel.

The contest in Buncombe County over the Sheriffality has been at last decided.—The Board of Commissioners gave its decision in favor of Capt. Young, the Sheriff elect.

The North Carolina *Citizen* intends to enlarge. Success to you, neighbor.

Mr. Terrence Keenan, in the 84th year of his age, died in Asheville on the 4th inst. He was a good and useful citizen.

Hog cholers is making havoc among the hogs in the Western portion of the State.

We learn from the Asheville *Citizen* that work upon the Eastern Division of the Western N. C. R. R. has been or is about to be suspended for the want of funds to pay the contractors.

A writer in the *Citizen* suggests the name of W. P. Welch, member elect from Haywood county, for the Speakership of the next House of Representatives.

WASHINGTON.

Washington, Oct. 11.—The Postmaster General in answering the inquiry from New York, whether mails will be sent by the "Cambria," says that it is unsafe at present to dispatch mails by the North German Steamers.

The President recognizes as Portugese vice Consuls, Henry H. Woodbridge at Savannah, and Clemens Glachs at Charleston.

Weather wet. Nothing from the elections.

VIRGINIA.

Richmond, Oct. 11.—The difficulty between James Barbour, editor of the *Enquirer*, and Major James W. Walker, member of the House of Delegates from Madison county, growing out of an assault made by the latter on the former on the train of the Chesapeake and Ohio Railroad, on Saturday, terminated last night in a peremptory challenge from Mr. Barbour which was declined this morning, on the ground that the State Constitution disfranchises participants in duels. Col. Jno. S. Mosby bore Mr. Barbour's message.

PENNSYLVANIA.

Philadelphia, Oct. 11.—The election is progressing with spirit. The negroes are voting for the first time unmolested in some wards. In others, there is some disposition to riot. The Marines are at headquarters, and will act promptly in case of a disturbance.

Tours, Oct 10—Midnight.—The Minister of War has the following from the commander of the 15th corps, dated Orleans at 9 o'clock: This morning the Prussians attacked our forces at Artenay, and after a sharp fight, the Prussians occupied the position. Gen. Regan, with five regiments, four batallions and artillery, reinforced the French. After fighting until 3 o'clock we were compelled to fall back into the forest, which we still hold, and it will be held at any price. The enemy was greatly superior in numbers.

Tours Oct. 11.—Nothing from Paris for two or three days.

It is reported that Garibaldi will take his volunteers into Vosges. It is understood that fighting was resumed to-day near Orleans. The scene of battle at Artenay, yesterday, was only three hours by rail from Tours. The people are indignant that the 15th corps was not reinforced from the provinces.

Gen. Bourbaki has been summoned to Tours to answer the charge of leaving his post to visit England.

Count De Palisko offers his services to France.

London, Oct. 11.—Gen. advises to Sunday state as follows: The weather is very unfavorable. Firing from the works is steadily maintained. There is much sickness in the town. The Prussians took two thousand prisoners in the last encounter. Many of the Prussian wounded have been removed to Berlin.

It is stated that Bismarck replied to Lord Lyons, that while he would be glad to make peace, no terms proposition could be entertained for a moment.

The Chinese government decline to give guarantees against further outrages. All Catholic buildings in Pekin have been destroyed.

A note from the Prussian government informs the Powers that Paris threatens to hold out until starved. In that event hundreds of thousands must die. Prussia will be unable to feed Paris a single day after capitulation, as there is nothing edible within two days' march of Paris. Nevertheless Prussia must prosecute the war and those holding power in France will be answerable for the results.

PAIN KILLER

PERRY DAVIS'S

PROVIDENCE R. I.

1840 1870

THE PAIN KILLER.

This celebrated medicine has won a deservedly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials, safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of man—it stands unrivalled and unexcelled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.

Directions accompany each bottle.

Sold by all Druggists.

Price 25 cts., 50 cts., and $1 per bottle.

NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Goods

FOR CREECH'S.

Just received, 30 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cts a per yard; wont you look at them at 10 cents? and cant you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm; so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed along
The listning winds received the song.

COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them! Do you want them finer? I am just the man that has them. 5, 7, 8, 10, 12, 15, 20, 2 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's, and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the overtowns I have received for the last 20 years at your hands and I hope, by strict attention to business representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

OF THE

UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,

GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4 000 000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $4,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending December 31, 1869, was $31,000,000.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe* and *brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 130,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet; size Bale 4½ feet x26x28x48; wt. Bale 400 to 550 lbs.

BENEFIT LIFE INSURANCE COMPANY OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Definite surrender values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death* losses have not occurred, out of several hundred policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Definite Dividends* are not declared but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
